October Fish Offering Winnet Nyamakope Memorial Scholarship Fund

Pastor Charles and Tecla Nyamakope began this scholarship fund in memory of Charles' mother, Winnet. After the death of her husband in 1978, Winnet instilled the importance of education in her five children. On her own quest to educate herself, she attended both 4th and 5th grades along with her first born son, Charles. Her education was cut short by her passing in 1983, but before her passing she insisted that Charles do everything he could to educate himself and others. To honor her wish, this scholarship fund was created to offer orphaned and vulnerable children in Zimbabwe the opportunity to receive an education. The fund supports five Primary and Secondary schools by providing tuition and uniforms for eligible children. So far, this fund has covered more than 100 children's tuition and uniform fees. In addition, it has also helped provide sports and recreational equipment to the schools.

A year's tuition varies, depending on the school, between \$75 and \$150 per student, while uniform fees are \$75.

The FUMC Fish Offering is a monthly giving project that supports various projects and agencies. If you are interested in supporting this fund, please consider giving to our Fish Offering this month. Offerings can be placed in the fish basket at the front of our sanctuary or by including "October Fish Offering" in your memo.

Thank you and may God bless you.
